

OUTINGS, PARTIES and BIRTHDAYS

OUTINGS:

As you know our program includes 1 outing for children every month. Transportation is by bus.

Before every outing a paper describing the details of the trip will be distributed to parents. They will have to sign it indicating their decision on whether they agree to send their child or not on that particular trip. **Please note that children with no permission to participate will stay in the nursery.**

PARTIES:

We organize parties on special occasions such as Halloween, Christmas etc... All children who will be attending preschool in October 2012 (born in 2009) will participate in our end of year **Graduation Party**

Please note that expenses related to outing, parties and birthdays are already included in the nursery fees.

The only exception is the Graduation Party. The expenses of this event will be included in the third term fees.

BIRTHDAYS:

We organize theme birthdays for children on Fridays. Every child can celebrate his birthday with us at the nursery. Parents must make the reservation at least **10 days in advance.**

Birthday party: 50.000 LL
