

INFORMATION ABOUT YOUR CHILD

Since you have to leave your child and come and pick him up every day at the door, the system described below is set to keep you informed about him.

- A **private agenda** will be sent in a special bag for you to check it daily (should be requested by parents). It is very important that you check it daily, sign it and return it to us the following day.
- To find out about each group's daily activities, please check the **weekly schedule** which will be posted on the hallway bulletin boards or inside the classes.
- You will be able to **discuss** your child's progress **once a week** when you come and pick him up **from class** on the following days :
Monday for "Papillon".
Tuesday for "Bees".
Wednesday for "Coccinelle & Lady bug"

If you wish to have a **lengthy discussion** with your child's teachers, please contact the office so that we can schedule an appointment for you.

- At the end of each term, a **progress report** will be given to each child.
- If you would like to check on your child during the day, feel free to call us on **01-741213**.
